Industry Update - September 2010 Waterproofing Wet Areas / Risk Assessment

Waterproofing Wet Areas

Are you up to speed with the requirements of waterproofing in areas such as bathroom, laundries, and kitchens? Don't find out the hard way!!

This short session will identify key areas of the Code relating to Wet Areas.

Risk Assessment

This session will provide a simple and clear explanation of the process of completing a risk assessment under the relevant OH&S legislation.

This Industry Update is proudly hosted by Midstate Hardware
